TO: OC-E FROM: Contract Branch/PD/OL
Subj: Contract No. XG-1050 with [REDACTED]

25X1

The contractor has submitted the enclosed list of Government-owned tools which were acquired under Contract Nos. PSC-135 or XG-540 and used under the subject contract. Your review of this list and advice as to whether this is a complete and accurate list of Government property resulting from said contracts would be appreciated.

Inasmuch as the contract refers to specifications and drawings as well as tools, dies, and molds, and the contractor does not show such specifications and drawings in his list, your comment regarding this matter will be appreciated.
